Masks Vol. 1 Sep 11 2020 Collects Masks #1-8! Before Superheroes, there were Masks! The Shadow. The Green Hornet and Kato. The Spider. In 1938, these masked vigilantes operated outside the law, working independently to strike fear into the hearts of evildoers. But when the corrupt politicians of the Justice Party transform New York into a fascist state run by mobsters, when an oppressive regime grants jack-booted stormtroopers free rein to imprison, extort, and execute the innocent, when the law itself becomes unjust -- justice must be served by outlaws! Outnumbered and outgunned, the legendary vigilantes emerge from the shadows to fight, joined by Zorro, the Green Lama, Miss Fury, Black Terror, and the Black Bat! Nine renowned pulp heroes, brought together for the first time in an epic conflict of Law vs. Justice!

Nude: The Job of Figure Drawing Feb 14 2021 In the world of contemporary pin-up art, few artists can capture the sexy essence of a gorgeous woman as well and as wonderfully as Jim Silke. For years Silke's signature luscious paintings and sensuous drawings have delighted the hearts and eyes of everyone who appreciates the beauty and grace of the female form, as portrayed in his other bestselling art books, including *Bettie Page, Queen of Hearts and Pin-Up: The Illegitimate Art*. This time, the pin-up master strips his subjects of dress and other distractions to better reveal the delicious details that are usually hidden from admiring eyes. And, as fans have come to expect from the gentleman genius behind the brush, Silke adorns his intoxicating imagery with sage insight and cunning wit, as he recounts his long and exceedingly happy career flirting with fine art and foxy women.

Stan Lee's How to Draw Comics Jun 20 2021 In Stan Lee's How to Draw Comics, Stan Lee reveals his secrets for: * Costumes * Penciling, Inking & Coloring * Lettering & Word Balloons * Digital Advances * Perspective & Foreshortening * What Makes Great Action * Page & Panel Layout * Covers * Creating a Portfolio * Getting Work When it comes to comic books, one name says it all: Stan Lee. His characters are classics. His industry knowledge is vast. His creativity is boundless. And now, he's sharing what he knows with you, Grasshopper! His cohorts have always been—and still are—some of the best in the business: Jack Kirby, John Romita, Sr., Neal Adams, Gil Kane, Mike Deodato, Jr., Frank Cho, and Jonathan Lau, and many others, Stan includes their work here and discusses what exactly makes it so great. He touches on all the important stuff: anatomy, foreshortening, perspective, action, penciling, inking, hand lettering vs. digital lettering, color, character and costume design, panel flow, materials and tools, computers, file formats, and software. He includes an overview of the history and development of the comic book industry, and there's an extensive section on various types of covers—the super important element that makes the reader want to pick up that comic! In a world where good battles evil at every turn and the hero fights valiantly to get the girl, no stone is left unturned! Here you'll also find info on all the small details—that really aren't so small: word balloons, thought balloons, whisper balloons, bursts, sound effect lettering, and splash pages! And KA-BLAMMM! . . . once you've created your art, then what? Lest you think Stan would turn you out into the wilderness without a road map, fellow traveler, there's also information on preparing and submitting your portfolio, on getting work, and on suggested reading and schools. Stan Lee's How to Draw Comics features a cover that reunites long time collaborator John Romita Sr. and original cover artist of How to Draw Comics the Marvel Way. John Romita Sr. was most famous for his collaboration on The Amazing Spider-Man with Stan Lee! It's time for a new approach . . . "a cornucopia of cutting-edge, techno-savvy instructions to lead you down the freshly laid yellow brick road of creativity." It's time for a book that takes you on the new journey of creating comic books for the 21st century and beyond! Excelsior!

Comics & Sequential Art May 08 2020 The author discusses his ideas and theories and provides instructions on the art of graphic storytelling.

Comic Art of Europe Through 2000 Apr 30 2022 A unique and thorough reference work, *Comic Art of Europe through 2000: An International Bibliography* chronicles in two volumes the development of comic art in Europe and reflects the burgeoning amount of literature on the subject. Supplementing the award-winning works on comic art published by the author with Greenwood in 1994 and 1996, the expanded volumes contain 17,000 multi-language entries on comic art literature in 42 European countries. Bringing order to the scholarship on this fascinating topic, this is an invaluable reference work for those interested in comic art, mass communication, and popular culture. The author gathers in one place an exhaustive collection of literature dealing with all aspects of comics, cartooning, and animation in Europe. Organized by categories of country, genre, approaches, and other aspects, these multi-language bibliographies are compiled and organized for easy reference use. The comprehensive data gathering is backed up by global research. Another useful feature is a directory with vital information on at least 80 periodicals dealing with comic art in Europe. The wide sweep of these volumes includes chapters on global, continental, regional, and comparative perspectives relating to Europe.
