English Grammar Dec 29 2021 This best-selling comprehensive descriptive grammar forms a complete course, ideal for all students studying Language, whether on a course or for self-study. Broadly based on Hallidayan systemic-functional grammar but also drawing on cognitive linguistics and discourse analysis, English Grammar is accessible, avoiding overly theoretical or technical explanations. Divided into 12 self-contained chapters based around language functions, each chapter is divided into units of class-length material. Key features include: Numerous authentic texts from a wide range of sources, both spoken and written, which exemplify the grammatical description. Clear chapter and module summaries enable easy class preparation and student revision. Extensive exercises with a comprehensive answer key. This new edition has been thoroughly updated with new texts, a more user-friendly layout, more American English examples and a companion website, providing extra tasks, a glossary and a teacher's guide. This is the essential coursebook and reference work for all native and non-native students of English grammar on English language and linguistics courses.

Grammar Hour - Jan 30 2022 A book on Grammar

Grammar for Teachers May 10 2020 Updated and revised with more examples and expanded discussions, this second edition continues the aim of providing teachers with a solid understanding of the use and function of grammatical structures in American English. The book avoids jargon and presents essential grammatical structures clearly and concisely. Dr. DeCapua approaches grammar from a descriptive rather than a prescriptive standpoint, discussing differences between formal and informal language, and spoken and written English. The text draws examples from a variety of authentic materials to illustrate grammatical concepts. The many activities throughout the book engage users in exploring the different elements of grammar and in considering how these elements work together to form meaning. Users are encouraged to tap into their own, often subconscious, knowledge of grammar to consciously apply their knowledge to their own varied teaching settings. The text also emphasizes the importance of understanding grammar from the perspective of English language learners, an approach that allows teachers to better appreciate the difficulties learners face. Specific areas of difficulties for learners of English are highlighted throughout.

Reading German Apr 01 2022 Reading German is a structured reading course designed to take a wide variety of users to an independent reading level using authentic German texts. It is ideally suited for courses in colleges and universities, for students or specialists in any discipline, and for independent learners. Drawing on recent research into reading in a foreign language, the course chapters focus on the recognition and decoding of progressively complex written structures, before rehearsing a variety of strategies (such as skimming and scanning) for negotiating longer and more complex texts. The book has four sections: a 16-chapter reading course an extensive reference section containing a specially-designed grammar of written German and a further exercises section, for further work on recognizing structures a text corpus containing 23 texts of various types, with facing English translations. Grammatical points explained in the reference section are frequently illustrated using examples located in the text corpus. The only other resource user will need is a bilingual dictionary. Advice on how to use a dictionary is contained in the reference section.

The Teacher's Grammar of English with Answers Oct 27 2021 "The Teacher's grammar of English enables English language teachers and teachers-in-training to fully understand and effectively teach English grammar. With comprehensive presentation of form, meaning, and usage, along with exercises and advice on teaching difficult structures, it is both a complete grammar course and an essential reference text."--Back cover.

Holt Handbook Dec 17 2020

A Course Book in English Grammar Oct 07 2022 The study of language in written texts and transcripts of speech is greatly helped by a student's ability to identify and describe those prominent features of the grammar which make one variety of English different from another. A Course Book in English Grammar looks at many of the problems encountered by students and encourages them to find their own answers and to assess hypotheses about grammatical description. There are activities at each step, using authentic written and spoken data. Using 'real' texts avoids the faking of examples often found in some traditional grammar books, and interesting problems of analysis that arise in such texts are a source of useful discussion. The book has been thoroughly revised and expanded for this second edition, which contains additional chapters and material. A new opening chapter discusses the concept of 'grammatically correct English' and the differences between descriptive, prescriptive and proscriptive approaches to the writing of grammar books. The book is a systematic description of Standard English, and examples of contemporary spoken dialectal grammar are introduced and explained.

to illustrate the differences between standard and nonstandard usage. A Course Book in English Grammar will prove invaluable to all students of English Language.

English for Everyone English Grammar Guide Practice Book 3 2020 PLEASE NOTE - this is a replica of the print book and you will need paper

and a pencil to complete the exercises. Puzzled by past tenses? Confused by comparatives? This clearly structured and beautifully presented book includes grammar practice activities that make learning English grammar incredibly easy. The English for Everyone English Grammar Guide Practice Book is an essential companion to the English for Everyone English Grammar Guide, a comprehensive reference book that makes even the trickiest grammar rules clear and simple. The Practice Book mirrors the unit-by-unit structure of the Grammar Guide. Each Practice Book unit is full of carefully graded grammar exercises to drill and reinforce the grammar you have learned in the corresponding English Grammar Guide unit. These exercises will help you build up your confidence and become more fluent, giving you the chance to practise using the most important English grammatical constructions again and again. Ideal for learners at all levels, and covering CEFR levels A1 to C1, the English for Everyone English Grammar Guide Practice Book presents basic (beginner), intermediate, and advanced English grammar in one easy-to-navigate book. Like all books in the English for Everyone series, it uses a visual learning method: many of the exercises are accompanied by attractive illustrations that put grammar practice points into context and give you visual cues to help you understand the exercises. Whether you want to improve your grammar for travel, or exams, the English for Everyone Grammar Guide Practice Book offers you a simple way to learn English grammar, remember it, and use it with confidence.
