Chilton's Truck and Van Repair Manual, 1971-1978 Nov 25 2019 Chilton's Perennial Edition Service Manuals contain repair and maintenance information for all major systems that may not be available elsewhere. They include repair and overhaul procedures, thousands of illustrations, and troubleshooting. This 1978 Truck & Van Manual offers a wide range of repair information on domestic and imported Trucks and Vans from 1971 to 1978.

American Light Trucks and Utility Vehicles, 1967-1989 Aug 27 2022 The truck's role in American society changed dramatically from the 1960s through the 1980s, with the rise of off-roaders, the van craze of the 1970s and minivan revolution of the 1980s, the popularization of the SUV as family car and the diversification of the pickup truck into multiple forms and sizes. This comprehensive reference book follows the form of the author's popular volumes on American cars. For each year, it provides an industry overview and, for each manufacturer, an update on new models and other news, followed by a wealth of data: available powertrains, popular options, paint colors and more. Finally, each truck is detailed fully with specifications and measurements, prices, production figures, standard equipment and more.
