Mindfulness at Work Aug 28 2019 'Mindfulness at Work' reveals how the practice of mindfulness — the ability to focus our attention on what is rather than be distracted by what isn't — can be a powerful antidote to the distractions and stresses of our modern lives, especially our working lives. So, if you want to:• reduce

your stress• become more productive• improve your decision-making skills• enjoy better relationships with your colleagues• work more creatively• develop your leadership skills, and• generally enjoy your job more ...then mindfulness can help!Written by an expert with years of both clinical and personal experience,

'Mindfulness at Work' includes examples of mindfulness in action in the workplace, while also looking at how the principles of mindfulness can be applied to specific professions, from sales and marketing to teaching, from law to medicine, from the trades to the creative arts. Offbeat Bride Jun 18 2021 Unenthused by a white

wedding gown and bored by the hoopla of the Hollywood-style reception, Ariel Meadow Stallings found herself absolutely exhausted with the nuances of traditional nuptials . . . so she chose to take a walk off the beaten aisle. In this updated edition of *Offbeat Bride*, Stallings humorously recounts the story of the original offbeat wedding-hers- and shares anecdotes and advice from dozens of other nontraditional couples. She also includes a chapter on budget weddings in today's weak economy, along with sidebars, tips, tricks, and planner encouragement to help you figure out your special day. What results is a combination

of hilarious wedding stories and tons of helpful how-tos-a perfect mash-up of memoir and handbook. At once practical and enjoyable, *Offbeat Bride* validates choosing the funky, different, and offbeat over the traditional, and leads couples through the planning process- from unique ideas on how to announce their engagement all the way to answering the question, "So, how's married life?" Stallings is the ultimate guide to the alternative wedding of your dreams, and with *Offbeat Bride*, she brings you a book that serves both as an encouragement and celebration of aisles less traveled.

themes! Want to create presentations that are more consistent and cost-effective? Presentations that fully reflect your branding? Then don't settle for Microsoft's "out-of-the-box" templates and themes: create your own! In this easy, hands-on guide, two PowerPoint MVPs teach you every skill and technique you'll need to build the perfect template—from planning and design, through theme building, custom layouts, colors, and deployment. Echo Swinford and Julie Terberg have distilled their immense PowerPoint knowledge into simple, step-by-step techniques you can use right now, whether you're using PowerPoint 2010

or 2007 for Windows, or PowerPoint 2011 for Mac. Well-built templates are the backbone of great presentations—whether building them for your own use or designing for thousands of users, this book will guide you through the process of creating the most effective templates. Important Note: Upgrading from older versions of PowerPoint, such as PowerPoint 2003? Your old templates may no longer work. This book will help you make the transition painlessly! • Plan new templates and themes to maximize their business value for years to come • Understand the differences between templates and themes, and how

they work together • Make better choices about color, fonts, and slide layouts • Create efficient templates for individual users, teams, and large organizations • Incorporate Notes and Handout Masters into your presentation templates • Provide example slides and default settings that lead to better presentations • Use Microsoft's little-known Theme Builder to create effects and background styles • Work around hidden quirks in PowerPoint's advanced template and theme features Echo Swinford, a Microsoft PowerPoint MVP since 2000, has been a featured speaker at the Presentatio Summit (formerly PowerPoint Live)

since its inception. She is the expert voice and instructor behind PowerPoint 2010 LiveLessons (Video Training), the author of Fixing PowerPoint Annoyances and co-author of The PowerPoint 2007 Complete Makeover Kit. Julie Terberg is a Microsoft PowerPoint MVP and featured speaker at the Presentation Summit. She is the owner of Terberg Design and has been designing presentations since the mid-1980s. She is co-author of Perfect Medical Presentations. As contributing author for Presentations Magazine, she won awards for her Creative Techniques columns. *The Order of Celebrating*

*Matrimony* Feb 12 2021 In this highly anticipated English translation according to the Second Typical Edition, the Ordo Celebrandi Matrimonium is presented with an enrichment of the Introduction, rites and prayers, and with certain changes introduced in keeping with the norm of the Code of Canon Law promulgated in 1983 (Decree of the Congregation for Divine Worship and the Discipline of the Sacraments). The revision of this Ritual Edition, which is divided into four chapters and includes three Appendices, incorporates changes in accord with the Third Typical Edition of The Roman Missal, updated Lectionary texts, and The

Revised Grail Psalms. This Clothbound Edition includes all the enhanced features that celebrants have come to know and trust from Catholic Book Publishing: large, easy-to-read type; printed and reinforced end papers; a sturdy cover; and satin ribbon markers to add an elegant finishing touch. Specially produced acid-neutral cream paper from established, quality mills ensures a high level of opacity and consistency of the highest degree. While providing highly readable type for text and music, this volume also boasts a proven layout that respects functional page-turns. **The Scribe Method** Mar 16 2021 Ready to write your book? So why haven't you done it yet? If you're like most nonfiction authors, fears are holding you back. Sound familiar? Is my idea good enough? How do I structure a book? What exactly are the steps to write it? How do I stay motivated? What if I actually finish it, and it's bad? Worst of all: what if I publish it, and no one cares? How do I know if I'm even doing the

right things? The truth is, writing a book can be scary and overwhelming—but it doesn't have to be. There's a way to know you're on the right path and taking the right steps. How? By using a method that's been validated with thousands of other Authors just like you. In fact, it's the same exact process used to produce dozens of big bestsellers—including David Goggins's *Can't Hurt Me*, Tiffany Haddish's *The Last Black Unicorn*, and Joey Coleman's *Never Lose a Customer Again*. The Scribe Method is the tested and proven process that will help you navigate the entire book-writing process from start to

finish—the right way. Written by 4x New York Times Bestselling Author Tucker Max and publishing expert Zach Obront, you'll learn the step-by-step method that has helped over 1,500 authors write and publish their books. Now a Wall Street Journal Bestseller itself, The Scribe Method is specifically designed for business leaders, personal development gurus, entrepreneurs, and any expert in their field who has accumulated years of hard-won knowledge and wants to put it out into the world. Forget the rest of the books written by pretenders. This is the ultimate resource for anyone who wants to professionally write a great

nonfiction book. *Wedding Planning Made Simple* Jan 02 2020 At last a truly 'All-In-One' Wedding Planner. From the softer side of want goes into planning a wedding from Marian's view to the nuts and bolts of the required planning elements from Bryan's eye, comes a true, 'How To and Do' program. With *Wedding Planning Made Simple* not only are you presented with the information you need to plan your wedding, but you will have access to the on-line planning program that lets you implement the templates and planning tools discussed in the book to create your own personalized wedding. Far superior to the

typical hard copy wedding planners in that once written in they are really not re-useable. With the on-line program you have the flexibility to add, manipulate, change or modify your planning as often as you like to suit your desires. To make it even better, you will be able to create your own personal wedding webpage as part of this package. Since the program is on-line and you have your own secure login and password you are able to share your details with those of whom you may be separated by distance. Best wishes with your upcoming nuptials.

*Agile Software Requirements*  
May 06 2020 "We need better

approaches to understanding and managing software requirements, and Dean provides them in this book. He draws ideas from three very useful intellectual pools: classical management practices, Agile methods, and lean product development. By combining the strengths of these three approaches, he has produced something that works better than any one in isolation." -From the Foreword by Don Reinertsen, President of Reinertsen & Associates; author of *Managing the Design Factory*; and leading expert on rapid product development Effective requirements discovery and analysis is a critical best practice for

serious application development. Until now, however, requirements and Agile methods have rarely coexisted peacefully. For many enterprises considering Agile approaches, the absence of effective and scalable Agile requirements processes has been a showstopper for Agile adoption. In *Agile Software Requirements*, Dean Leffingwell shows exactly how to create effective requirements in Agile environments. Part I presents the "big picture" of Agile requirements in the enterprise, and describes an overall process model for Agile requirements at the project team, program, and portfolio

levels Part II describes a simple and lightweight, yet comprehensive model that Agile project teams can use to manage requirements Part III shows how to develop Agile requirements for complex systems that require the cooperation of multiple teams Part IV guides enterprises in developing Agile requirements for ever-larger “systems of systems,” application suites, and product portfolios This book will help you leverage the benefits of Agile without sacrificing the value of effective requirements discovery and analysis. You’ll find proven solutions you can apply right now-whether you’re a software developer or tester,

executive, project/program manager, architect, or team leader.

Contributors include Nadia Wheatley, Susan Mitchell, Kate Grenville and Kaz Cooke.

*Feng Shui Mommy* Dec 13 2020 Impending motherhood serves up a confusing cocktail

of heroic strength and terrifying vulnerability. Our culture has seized on the "vulnerability" part of this experience and tends to reinforce a pregnant woman's insecurities instead of encouraging her to embrace this most natural time and trust her body, her intuition, and her own mind. *Feng Shui Mommy* takes a different approach, helping the expecting mother build her own unique, epic journey to motherhood. It's about supporting her while she shores up her mind-body-spirit alignment so she can best handle the cosmic kick in the uterus and juicy kiss on the soul that pregnancy is. Bailey Gaddis guides women through

the experience, providing specific suggestions for mind, body, and spirit for each trimester (including the “fourth,” after birth), leading to birth preparation designed for each mother and baby, and culminating in strong mother-child bonding. She includes detailed and practical information about prenatal exercise and nutrition, birth preferences and birthing positions, breath work, breastfeeding, and much more. Her advice allows mothers to welcome delight and curiosity into the journey while taking each phase with purpose and calm — and even a sense of fun. This comprehensive guide makes challenge and change

joyful, allowing new life to be as incomparably wonder-filled as it is meant to be.

**The Learning About Myself (LAMS) Program for At-Risk Parents** Jun 06 2020 The

Learning About Myself (LAMS) Program for At-Risk Parents: Learning About the Past-- Changing the Future presents a basic, hands-on, weekly curriculum based on the concept of "Learning About Myself" that helps change participants' lives from hopeless and helpless to confident and self-assured. Social workers, counselors in public and private agencies, clinical psychologists, therapists, group leaders, and educators can use this book to help clients cope with life rather than be overwhelmed by life's problems. Participants of the program follow the second book in this set, The Learning About Myself (LAMS)

Handbook for Group Participants, to learn how to make better decisions, set goals, and live life by choice rather than by chance. The Learning About Myself (LAMS) Program for At-Risk Parents is the result of author Verna Rickard's many years of casework in intensive home-based services to high-risk abusive and neglectful families. You'll find that it: defines self-esteem and explains how self-talk and choices shape your life explains passive, aggressive, and assertive attitudes and presents them through role-play tells how to make friends and how to be a friend to others explores how childhood experiences influence your

present self-image shows why taking time for yourself is important to how you feel about your life presents basic skills for living and practices them through group activities, speakers, and games The Learning About Myself (LAMS) Program for At-Risk Parents is a complete blueprint for changing lives. It teaches basic skills and creates observable changes in appearance, confidence, and self-image. The book's language is simple to understand, and you can easily adapt the program to all ages and both sexes. LAMS can be used as an introduction to individual counseling or as the sole treatment method. The leader of this course does not

need to be a therapist, only someone with a basic knowledge of social work or psychological concepts. (Please also see the title The Learning About Myself (LAMS) Program for At-Risk Parents: Handbook for Group Participants, the second book in this set. Therapists: Take 50 off the workbook price when ordering 5 or more copies!) Hands of the Potter Jun 30 2022 Hands of the Potter is a holistic, culture specific, youth development manual and curriculum. It contains chapters on youth empowerment and justice,

theology of rites of passage, spiritual formation, and sessions and activities for conducting a rites of passage program with youth. This manual is particularly helpful for engaging youth in development that forges within them a strong sense of identity, purpose, and direction empowering them, as agents of justice, to successfully thrive and navigate through an environment and culture that is hostile to their existence. As the manual can emphasize spiritual formation, it can also serve as an ecumenical tool. The curriculum is partly based in the Nguzo Saba (Principles of Kwanza) which makes it indigenous and contextual to

culture as it is also biblically based making it more universal. Kaaria Yero Mucherera, MS, MDiv, DMin The author has served in youth outreach and development for several decades in both direct services and administration. He has also worked as a psychotherapist, social worker, educator, and church pastor. He has developed, evaluated, and reported on the success of programs and activities.

**A Priceless Wedding** Jan 26 2022 Plan a wedding that reflects your commitment—to each other and to the things you truly value. How you and your partner plan your wedding can set a precedent for how you will be as a family. How do you work together to merge two different sets of ideas into something bigger and better? How do you disagree in constructive rather than destructive ways? How do you honor the input and experience of family members while simultaneously maintaining ownership of your lives and choices? In this part-memoir,

part how-to handbook, popular wedding blogger Sara Cotner shares how you can resist the pressure to create the wedding of someone else's dreams and instead reclaim the real purposes of a wedding: community, connection, commitment, and fun. A Priceless Wedding covers all the basics: securing a location, finding a dress, deciding on flowers, selecting a wedding party, planning the ceremony, choosing rings, and everything in between—but it goes beyond the elements of a "traditional" wedding to help you plan an eco-friendly, hand-crafted, budget-minded celebration that will be both memorable and meaningful. Featuring do-it-

yourself projects that help you create your own unique wedding favors, sew a homemade wedding quilt, and more, this book will inspire you to begin your own traditions and rituals that will clarify your values and let you live them out loud.

Wedding Party Prep 1-Year Guide Dec 05 2022 Wedding Party Prep is an invaluable resource for all engaged or soon-to-be engaged couples and newlyweds. ## **Community Programs to Promote Youth Development**

May 30 2022 After-school programs, scout groups, community service activities, religious youth groups, and other community-based activities have long been thought to play a key role in the lives of adolescents. But what do we know about the role of such programs for today's adolescents? How can we ensure that programs are designed to successfully meet young people's developmental needs and help them become healthy, happy, and productive adults? *Community Programs to Promote Youth Development* explores these questions, focusing on essential elements

of adolescent well-being and healthy development. It offers recommendations for policy, practice, and research to ensure that programs are well designed to meet young people's developmental needs. The book also discusses the features of programs that can contribute to a successful transition from adolescence to adulthood. It examines what we know about the current landscape of youth development programs for America's youth, as well as how these programs are meeting their diverse needs. Recognizing the importance of adolescence as a period of transition to adulthood, Community Programs to

Promote Youth Development offers authoritative guidance to policy makers, practitioners, researchers, and other key stakeholders on the role of youth development programs to promote the healthy development and well-being of the nation's youth.

### **Gay and Lesbian Weddings**

Feb 01 2020 Comprehensive, fresh, and funny, *Gay and Lesbian Weddings* covers everything you need to know to plan the wedding of your dreams. Unlike other wedding planners, this one tackles the issues your heterosexual friends never had to consider. For instance, do you come out to Aunt Gloria before she receives the invitation and the shock of her life? Which father of the bride pays for a lesbian wedding? Who walks down the

aisle first? Is it possible for members of the wedding party to be happy with what you force them to wear? (Okay, this is a universal problem.) Step-by-step and down-to-earth, *Gay and Lesbian Weddings* includes invaluable advice on • the changing laws regarding gay marriage in the United States and abroad; the differences among domestic partnerships, civil unions, and marriage • budget concerns: choosing your ideal wedding size and style • finding gay-friendly printers, photographers, gift registries, caterers, florists (actually, if you find a gay-hostile florist, we'd love to hear about it) • ethnic, theme, and destination weddings • keeping

the honey in the honeymoon • sex—including how to keep the heat after the wedding night, as well as the facts on fidelity (can the two be linked?) Plus: a handy *Wedding Countdown Calendar*, website resources, and true stories from same-sex couples who've gotten hitched without a hitch *Gay and Lesbian Weddings* gives you straight talk (so to speak) with equal parts information, flair, and fabulousness!

*Unwinding Anxiety* Dec 01 2019 New York Times and Wall Street Journal bestseller A step-by-step plan clinically proven to break the cycle of worry and fear that drives anxiety and addictive habits We are living through one of the most anxious periods any of us

can remember. Whether facing issues as public as a pandemic or as personal as having kids at home and fighting the urge to reach for the wine bottle every night, we are feeling overwhelmed and out of control. But in this timely book, Judson Brewer explains how to uproot anxiety at its source using brain-based techniques and small hacks accessible to anyone. We think of anxiety as everything from mild unease to full-blown panic. But it's also what drives the addictive behaviors and bad habits we use to cope (e.g. stress eating, procrastination, doom scrolling and social media). Plus, anxiety lives in a part of the brain that resists rational thought. So we

get stuck in anxiety habit loops that we can't think our way out of or use willpower to overcome. Dr. Brewer teaches us to map our brains to discover our triggers, defuse them with the simple but powerful practice of curiosity, and to train our brains using mindfulness and other practices that his lab has proven can work. Distilling more than 20 years of research and hands-on work with thousands of patients, including Olympic athletes and coaches, and leaders in government and business, Dr. Brewer has created a clear, solution-oriented program that anyone can use to feel better - no matter how anxious they

feel.  
*Agile Project Management with Scrum* Aug 09 2020 The rules and practices for Scrum—a simple process for managing complex projects—are few, straightforward, and easy to learn. But Scrum's simplicity itself—its lack of prescription—can be disarming, and new practitioners often find themselves reverting to old project management habits and tools and yielding lesser results. In this illuminating series of case studies, Scrum co-creator and evangelist Ken Schwaber identifies the real-world lessons—the successes and failures—culled from his years of experience coaching

companies in agile project management. Through them, you'll understand how to use Scrum to solve complex problems and drive better results—delivering more valuable software faster. Gain the foundation in Scrum theory—and practice—you need to: Rein in even the most complex, unwieldy projects Effectively manage unknown or changing product requirements Simplify the chain of command with self-managing development teams Receive clearer specifications—and feedback—from customers Greatly reduce project planning time and required tools Build—and release—products in 30-day

cycles so clients get deliverables earlier Avoid missteps by regularly

inspecting, reporting on, and fine-tuning projects Support multiple teams working on a

large-scale project from many geographic locations Maximize return on investment!
