Lonely Castle in the Mirror Feb 02 2020 Seven students find unusual common ground in this warm, puzzle-like Japanese bestseller laced with gentle fantasy and compassionate insight. Bullied to the point of dropping out of school, Kokoro's days blur together as she hides in her bedroom, unable to face her family or friends. As she spirals into despair, her mirror begins to shine; with a touch, Kokoro is pulled from her lonely life into a resplendent, bizarre fairytale castle guarded by a strange girl in a wolf mask. Six other students have been brought to the castle, and soon this marvelous refuge becomes their playground. The castle has a hidden room that can grant a single wish, but there are rules to be followed, and breaking them will have dire consequences. As Kokoro and her new acquaintances spend more time in their new sanctuary, they begin to unlock the castle's secrets and, tentatively, each other's. With the thoughtful whimsy of *Before the Coffee Gets Cold*, the exquisite textures of *A Tale for the Time Being*, and the youthful resonance of *Your Name*, Mizuki Tsumimura paints an intricate portrait of a cycle of loneliness that can only be broken by friendship, empathy, and sacrifice. *Lonely Castle in the Mirror* is a mesmerizing, heart-warming novel about the unexpected rewards of embracing human connection.
More Pens for Pops Dec 14 2020 Loneliness is hard to define. You don't have to be alone to be lonely but this often has been assumed for those on their own. This book provides many ideas on how to avoid feeling isolated or lonely. It is mainly directed at those 50 plus who are still active, semi active or housebound. Pick and choose things to try out which fit your circumstances at the time so as to enjoy every moment of your day. There is a need to examine why you think you are lonely and how you actually feel about it so you can change it around. You can't help how you feel but you can change how you behave. Optimism will develop through practise. People who have a negative mess in their lives still have strength and spark with a burning flame inside them which is just waiting to be released. There are new experiences and victories round the corner. In life there is always more to taste and you can still improve your health and strength in some way whatever age you are. Remember, lonely people breed lonely people. One day there will be so many elderly people in many parts of the world that the word lonely will have little relevance as this will be a new culture.
Woke Up Lonely Oct 24 2021 The dizzying new novel by Fiona Maazel, a National Book Foundation "5 Under 35" * A New York Times Book Review Notable Book of the Year * A New York Times Book Review Editors' Choice * A Kansas City Star, VICE, and Largehearted Boy Best Book of the Year * One of Book Riot's "Seven Funniest Novels of 2013" * * One of the Millions's Most Anticipated Books of 2013 * An April IndieNext Pick* Thurlow Dan is the founder of the Helix, a cult that promises to cure loneliness in the twenty-first century. With its communes and speed-dating, mixers and confession sessions, the Helix has become a national phenomenon—and attracted the attention of governments worldwide. But Thurlow, camped out in his Cincinnati headquarters, is lonely—for his ex-wife, Esme, and their daughter, whom he hasn't seen in ten years. Esme, for her part, is a covert agent who has spent her life spying on Thurlow, mostly to protect him from the law. Now, with her superiors demanding results, she recruits four misfits to both a reconnaissance mission in Cincinnati. But when Thurlow takes them hostage, he ignites a siege of the Helix House that will change all their lives forever. With fiery, exuberant prose, Fiona Maazel takes us on a wild ride through North Korea's guarded interior and a city of vice beneath Cincinnati, a ride that twists and turns as it delves into an unsettled, off-kilter America. *Woke Up Lonely* is an original and deeply funny novel that explores our very human impulse to seek and repel intimacy with the people who matter to us most.
It's a Lonely Love Aug 22 2021 In his poetry collection, *It's a Lonely Love*, writer Hunter Summerall honestly reflects on the feelings of heartbreak and isolation before, during, and after a doomed relationship. Cataloguing the rise and fall of an ill-fated relationship, *It's a Lonely Love* explores the vulnerability one must feel before moving on from a lost love. Styled as entries from a journal, Hunter Summerall's poetry takes the personal and constructs a universal story about unrequited love and anguish.

Social Isolation and Loneliness in Older Adults Jul 21 2021 Social isolation and loneliness are serious yet underappreciated public health risks that affect a significant portion of the older adult population. Approximately one-quarter of community-dwelling Americans aged 65 and older are considered to be socially isolated, and a significant proportion of adults in the United States report feeling lonely. People who are 50 years of age or older are more likely to experience many of the risk factors that can cause or exacerbate social isolation or loneliness, such as living alone, the loss of family or friends, chronic illness, and sensory impairments. Over a life course, social isolation and loneliness may be episodic or chronic, depending upon an individual's circumstances and perceptions. A substantial body of evidence demonstrates that social isolation presents a major risk for premature mortality, comparable to other risk factors such as high blood pressure, smoking, or obesity. As older adults are particularly high-volume and high-frequency users of the health care system, there is an opportunity for health care professionals to identify, prevent, and mitigate the adverse health impacts of social isolation and loneliness in older adults. *Social Isolation and Loneliness in Older Adults* summarizes the evidence base and explores how social isolation and loneliness affect health and quality of life in adults aged 50 and older, particularly among low income, underserved, and vulnerable populations. This report makes recommendations specifically for clinical settings of health care to identify those who suffer the resultant negative health impacts of social isolation and loneliness and target interventions to improve their social conditions. *Social Isolation and Loneliness in Older Adults* considers clinical tools and methodologies, better education and training for the health care workforce, and dissemination and implementation that will be important for translating research into practice, especially as the evidence base for effective interventions continues to flourish.

The Heart is a Lonely Hunter Dec 06 2022 *The Heart is a Lonely Hunter* was Carson McCullers' first novel, written in 1940. Set in a small town in the American South, it is the story of a group of people who have little in common except that they are all hopelessly lonely. A young girl, a drunken socialist and a black doctor are drawn to a gentle, sympathetic deaf mute, whose presence changes their lives. This powerful exploration of alienation is both moving and perceptive.
Agnes and Her Amazing Orchid Sep 03 2022 Nominated for the 2019 Singapore Book Awards, Best Children's Picture Book In the 1800s, a girl named Agnes Joaquim was passionate about plants. She even learned to grow cool-weather European vegetables in the tropical heat of Singapore. As she grew up, she collected many prizes for her plants. One day, after many trials and difficulty, she created a brand-new orchid. She showed it to an orchid expert named Henry Ridley, who officially named the flower the Vanda Miss Joaquim. This is the story of how one woman's ingenuity and determination created a flower that became world famous...and Singapore's National Flower in 1981. "Agnes and Her Amazing Orchid chronicles the remarkable journey of a brilliant horticulturist. An excellent introduction to our national flower, this wonderful book also provides a glimpse into the orchid breeding process. Singapore has a rich heritage in orchid cultivation, being one of the leading orchid hybridisation centres in the world. I hope this engaging story will inspire an interest in horticulture and botany amongst our children." —Kenneth Er, CEO of National Parks Board "A remarkable story of Agnes Joaquim's passion for horticulture, whose interest in breeding orchids led her to become the first woman to breed a hybrid orchid – Singapore's national flower the Vanda Miss Joaquim. Her story inspires us all to pursue our dreams." —Rosa Daniel, Deputy Secretary (Culture) Ministry of Culture, Community and Youth

Owner of a Lonely Heart Aug 29 2019 From the author of *How to Save a Life* comes a heartfelt story of two people finding the courage to choose love, no matter how hard it may be. Gemma thought she had her future all mapped out. She had a wonderful husband, a cute apartment, and plans to start a family. But just months after their wedding, illness took her husband from her. And now she finds herself trying to think up new dreams, when all she really wants are her old ones back. Across town, Dan's also rethinking his life. He's about to meet his twelve-year-old daughter, Casey, for the very first time. She's tracked him down because she needs a place to stay for the summer while she receives treatment for a brain tumor at the city hospital, and Dan is terrified he won't be up to the task of taking care of her; after all, he's structured his entire life so that no one has to rely on him. But when fate (with the help of Gemma's scruffy terrier, Bear) brings these three strangers together one scorching July morning, there's an instant connection among them. And it soon becomes clear that this summer could change everything—if only they'll let it. Will Gemma, Dan, and Casey be brave enough to let love in and build a new life together? Or will they let fear keep everything they've ever wanted just out of reach?

Confessions of a Lonely Soul Mar 05 2020 A young man dies of AIDS and leaves behind a mysterious videotape for his family that exposes his tormented life of secrets and guilt in a confession from beyond the grave. DeMarco Reid left a videotape for his family to play during his funeral, but his family doesn't realize they are in for the shock of their lives. In it, DeMarco appears in a pre-recorded message to admit the many secrets that thro his life apart, including why his wife committed suicide, how he contracted HIV, his connection to a murder, and ultimately, his quest for meaning in life. But there are two sides to every story. Is DeMarco's tell-all actually true, or are there even more shocking secrets threatening to shake this family to its foundations? With HIV an ever-increasing threat in the African-American community, this story approaches the topic with both refreshing candor and compassion. Confessions of a Lonely Soul reminds readers of the insidious danger of keeping secrets, and the cost of living a double-life to deceive those you love the most. In the end, are any secrets worth dying to keep?

Heart is a Lonely Hunter Aug 02 2022 **THE STORY:** Adapted from the novel by Carson McCullers, **THE HEART IS A LONELY HUNTER** explores a universal longing for connection. At its center is John Singer, a lonely deaf man, who becomes the confidant to a constellation of disparate souls—an ang
Unforgettable Sep 30 2019 Who is Lonely Girl? You might imagine her life as rather lifeless and loveless - at worst, a forgotten and an abandoned unknown or at best, a beautiful disaster. Which do you suppose she is? Are you desperate enough to know or too afraid to find out? Whether she's a forgotten and an abandoned unknown or a beautiful disaster, that's for you to decide. Experience for yourself the life - the private life - of a girl who has experienced both the highs and the lows of living a kind of blacklisted lifestyle, "according to a culture shaped by those generations before her and the people who surrounded her in her early years. To understand Lonely Girl, you must know her full story - unfiltered. Her story is a true story and it's told by Lonely Girl herself, with such courage, raw intensity and honesty that few would dare to do.

All the Lonely People Jan 03 2020 Everyone feels lonely some of the time. However, chronic loneliness can impair learning, affect physical and mental health, and is even linked to early death. Loneliness is thus not only a personal matter; it is a public health concern. Schools provide spaces and opportunities for friendships. By bringing together students from different backgrounds, education can help forge connections across social groups, strengthen social skills and provide access to activities that are meaningful over a lifetime. It can also build skills needed to prevent or break the negative thought processes associated with chronic loneliness.

A Lonely Rose Jan 15 2021 **A Lonely Rose Afloat.** At some point in your life, have you ever felt alone? Have you ever felt lost, isolated, or perhaps a little selfish? Well, this book dives into those states of being. Jordan Wells has added a new piece of work to his collection. "A Lonely Rose" is a book that goes deep into Wells' spirit and his mind, looking to settle the scores of why he felt this sense of loneliness in his life. You will experience a new collection of poetry that correlates to his style of writing from his previous books, as well as a few short stories, "Charli's Chance" and "The Forbidden Lake." Wells touches on topics that speak of what people have experienced in life; fear, love affairs, and some thriller. You will see a more vulnerable side of Jordan Wells. A side where he shares with you, the reader, his truth, his pain, and his fading regrets. What Wells wants you to gain from "A Lonely Rose," is some entertainment of course, but also your imagination. Imagine being that lonely rose that you see, lost in the deep blue sea, hoping that one day, you find your purpose, your destiny, you find yourself. Jordan Wells presents to you, "A Lonely Rose."

The Heart is a Lonely Hunter Nov 05 2022 A quiet, sensitive girl searches for beauty in a small, but damned Southern town.
The Keepers of Stories Sep 22 2021 In post-independence Singapore, tradition clashes with modernity in this compelling tale of the importance of defining one's own story. When their father Sujakon comes home late one night, raving about bad people coming to take them away, siblings Zazu and Hakeem are forced to leave everything behind and live in a tent at Changi Beach, with a secret community called Anak Bumi—the Children of the Earth. Here, they learn to live off the land and fend for themselves, and partake in a communal storytelling ritual under the stars called the Wayang Sindu. But just as they've acclimated to their new lives, their father disappears without a word and a strange man washes ashore warning of mortal danger from just offshore.

Alex: A Tale of a Lonely Boy Sep 10 2020 Alex: A Tale of a Lonely Boy is a story about a boy looking for a friend. A friend he can play with ... a friend he can hang out with ... a friend he can share his feelings with.
A Lonely Girl is a Dangerous Thing Apr 17 2021 Jena Lin plays the violin. She was once a child prodigy and now uses sex to fill the void left by fame. She's struggling a little. Her professional life comprises rehearsals, concerts, auditions and relentless practice; her personal life is spent managing the demands of her strict family and creative friends, and hooking up. And then she meets Mark - much older and worldly-wise - who consumes her. But at what cost to her dreams? When Jena is awarded an internship with the New York Philharmonic, she thinks the life she has dreamed of is about to begin. But when Trump is elected, New York changes irrevocably and Jena along with it. Is the dream over? As Jena's life takes on echoes of Frances Ha, her favourite film, crucial truths are gradually revealed to her. A Lonely Girl is a Dangerous Thing explores female desire and the consequences of wanting too much and never getting it. It is about the awkwardness and pain of being human in an increasingly dislocated world - and how, in spite of all this, we still try to become the person we want to be. This is a dazzling and original debut from a young writer with a fierce, intelligent and audacious voice. 'I absolutely inhaled this book. Gutsy, bold and surprising, with a darkness that draws you in and keeps you hanging onto every word.' Bri Lee, author of Eggshell Skull 'Jessie Tu's writing is fierce and bold; I read this novel with escalating excitement, galvanised by the emergence of a powerful new voice.' Christos Tsiolkas, author of *Damascus* 'Searing, unflinching and unapologetic, Jessie Tu is a fearless talent.' Sophie Hardcastle, author of *Below Deck*
A Lonely Kind of War Aug 10 2020 From retired Air Force pilot Marshall Harrison comes a remarkable memoir of aerial warfare in Vietnam. In his third combat tour, Harrison found himself "converted" from the high performance world of jets to the awkward-looking OV-10 Bronco and assigned as a FAC forward air controller. A captivating tale of valor, brotherhood, and patriotism unravels in the pages of *A Lonely Kind of War*. Forward Air Controller, Vietnam, a posthumous release by this published author through Xlibris. Harrison is a born story teller. There is excitement, suspense, and humor in this account of the life of a FAC. They were a small group of dedicated pilots flying lightly armed prop-driven aircrafts in South Vietnam. Considered to be the eyes and ears of the attack aircraft, their job was to fly low and slow, find, fix, and direct airstrikes against an elusive enemy concealed by the heavy rainforest and jungles, an area the FACs referred to as "the Green Square". The

flying scenes are riveting: learning to fly the maneuverable Bronco, clearing in the "fast-movers" to drop massive 750-lb bombs without causing injury to the "friendlies", and conducting covert operation into Cambodia--"over the fence with the mad men in the green beanies". On one of these secret missions, he is shot down and spends a harrowing night in the jungle. FACs lived with the troops in the field and flew from unimproved airstrips; they virtually controlled the aerial battlefields of South Vietnam. Their losses were staggering and they usually died alone.

The Lonely Entrepreneur Nov 24 2021 "ENTREPRENEUR" IS NOT A JOB, IT IS AN IDENTITY MICHAEL DERMER Do you feel.....that you have a great business but are struggling to thrive'...that the world is on your shoulders'...that you are energized and overwhelmed at the same time'...that no one understands or cares as much as you do? In *The Lonely Entrepreneur*, author and entrepreneur Michael Dermer shows you how to thrive in the entrepreneurial struggle by changing your perspective. What took a decade to build was destroyed in ten days. Michael faced "the perfect storm" of struggles when the business he spent ten years building was almost wiped out in ten days by the financial crisis of 2008. Bankrupt customers. Enraged investors. Angry creditors. It would take years of working 24 hours a day to save his company. How did he do it? **THE DIFFERENCE BETWEEN SUCCESS AND FAILURE IS YOUR PERSPECTIVE** Michael changed his perspective. He realized that with the right perspective, solutions were everywhere. With the wrong perspective, the simplest of tasks seemed impossible. Not only did Michael successfully sell his company and become an industry pioneer, he discovered a methodology that helps all entrepreneurs with the issue we face--the struggle. In *The Lonely Entrepreneur* you will learn how to: * Identify the flawed perspectives you develop under the influence of the four Ps--pressure, passion, pleasure, and pain. * Change your perspectives from those that stifle progress to those that empower you to thrive.

The Heart Is a Lonely Hunter Oct 04 2022 A quiet, sensitive girl searches for beauty in a small, but damned Southern town

Young and Lonely Mar 29 2022 Anchored in accounts of young people's personal experiences of loneliness, this book addresses important questions about tackling today's epidemic of loneliness among young people. It explores experiences of loneliness in early life, how it is navigated when first encountered and considers how social conditions of poverty, precarity, inequality and competitive pressures to succeed can dramatically influence these feelings. Presenting diverse and nuanced social accounts of loneliness, the authors explore ways to harness the creative and positive potential of loneliness and provide evidence-based recommendations for policy makers, practitioners and young people to help tackle the crisis.

Reflections in a Golden Eye Jun 19 2021 The classic tale of marriage, infidelity, and homosexual yearning on a Southern army base by the acclaimed author of *The Ballad of the Sad Café*. Georgia, 1930s. Army bases are notoriously boring places during peacetime, but the quiet life of Captain Penderton is thrown into turmoil by the arrival of dashing ladies' man Major Langdon. Penderton's marriage has always been tempestuous, but when his wife Leonora begins an affair with Langdon, Penderton finds himself increasingly unable to mask his attraction to the handsome young private he has assigned to do his yard work. And tensions rise to explosive levels as that private develops a dangerous infatuation with Leonora. A scandal when it was first published in 1941, *Reflections in a Golden Eye* was later adapted into a film starring Marlon Brando, Elizabeth Taylor, and Robert Forester.

The Lonely City Feb 25 2022 **SHORTLISTED FOR THE GORDON BURN PRIZE** Chosen as 'BOOK OF THE YEAR' by *Observer*, *Guardian*, *Telegraph*, *Irish Times*, *New Statesman*, *Times Literary Supplement*, *Herald* When Olivia Laing moved to New York City in her mid-thirties, she found herself inhabiting loneliness on a daily basis. Increasingly fascinated by this most shameful of experiences, she began to explore the lonely city by way of art. Moving fluidly between the works and lives of some of the city's most compelling artists, Laing conducts an electric, dazzling investigation into what it means to be alone, illuminating not only the causes of loneliness but also how it might be resisted and redeemed.

Death Is a Lonely Business Jan 27 2022 Ray Bradbury, the undisputed Dean of American storytelling, dips his accomplished pen into the cryptic inkwell of noir and creates a stylish and slightly fantastical tale of mayhem and murder set among the shadows and the murky canals of Venice, California, in the early 1950s. Toiling away amid the looming palm trees and decaying bungalows, a struggling young writer (who bears a resemblance to the author) spins fantastic stories from his fertile imagination upon his clacking typewriter. Trying not to miss his girlfriend (away studying in Mexico), the nameless writer steadily crafts his literary effort--until strange things begin happening around him. Starting with a series of peculiar phone calls, the writer then finds clumps of seaweed on his doorstep. But as the incidents escalate, his friends fall victim to a series of mysterious "accidents"--some of them fatal. Aided by Elmo Crumley, a savvy, street-smart detective, and a reclusive actress of yesteryear with an intense hunger for life, the wordsmith sets out to find the connection between the bizarre events, and in doing so, uncovers the truth about his own creative abilities.

Lonely Oct 31 2019 A brave and revealing examination of an overlooked affliction that affects one in four Canadians. Despite having a demanding job, good friends, and a supportive family, Emily White spent many of her nights and weekends alone at home, trying to understand why she felt so disconnected from everyone. To keep up the façade of an active social life and hide the painful truth, that she was suffering from severe loneliness, the successful young lawyer often lied to those around her—and to herself. In this insightful, soul-baring, and illuminating memoir, White chronicles her battle to understand and overcome this debilitating condition, and contends that chronic loneliness deserves the same attention as other mental difficulties, such as depression. "Right now, loneliness is something few people are willing to admit to," she writes. "There's no need for this silence, no need for the shame and self-blame it creates." By investigating the science of loneliness, challenging its stigma, encouraging other lonely people to talk about their struggles, and defining one person's experience, *Lonely* redefines how we look at loneliness and helps those afflicted see and understand their mood in an entirely new light, ultimately providing solace and hope. It is a moving, compassionate, and important book about a topic that is affecting more among us each day.

It's a Lonely Love Dec 02 2019 Cataloguing the rise and fall of an ill-fated relationship, *It's a Lonely Love* explores the vulnerability one must feel before moving on from a lost love. Styled as entries from a journal, Hunter Summerall's poetry takes the personal and constructs a universal story about unrequited love and anguish.

The Lonely Hunter Nov 12 2020 A COSMOPOLITAN BEST NON-FICTION BOOK OF 2022 More people are single today than ever before. Yet in a world where romantic love still reigns, the stories we tell ourselves haven't kept up. *The Lonely Hunter* explores the rise of singledom, the realities of loneliness, and whether it is possible to live contentedly alone. "So what's going on in your love life?" An innocent question at a dinner party prompted Aimée Lutkin to finally tell the truth: it was six years since her last relationship, and she suspected it would be better to accept the life she had— a life she liked very much— rather than keep searching. But Lutkin's answer was met with uproar: surely she couldn't give up on love? So she threw herself into dating, going on two dates every week. Documenting her experiences, Lutkin explores the reality of sexual relationships today and reveals how the cultural messages we receive shape our expectations of love. From weird Tinder hookups to the way the 'self-care' industry capitalises on our fear of being alone, to the complexities of queer dating and the truth about the 'loneliness epidemic', she uses her experiences to fearlessly tell a wider story about how we love now.

Life Less Lonely, A: What We Can All Do to Lead More Connected, *Kinder Lives* Mar 17 2021 Loneliness has reached the levels of an epidemic. From the bullied child to the new parent, from the pensioner who has outlived friends and family members to teenagers who manage their social lives through the glow of a mobile phone, it can - and does - affect anyone and everyone, irrespective of age, race or class. Many suffer in silence, convinced it's a confession too far, a sign of too much vulnerability, a shameful failing. But the human condition is not a failing. What's it like when loneliness descends? How does it announce itself, and how do you recognise it? Do you discuss it, or conceal it? From where can you seek help? *A Life Less Lonely* shares stories of loneliness and social isolation, and looks for ways in which we can help one another to future-proof ourselves against this most insidious affliction. By talking to those who suffer from it, and by highlighting the work of those who fight to combat it, the book offers guidance on how to spot the symptoms in yourself and in others, how to connect with those around you, and how, by understanding it all better, we might just set ourselves free from it. In this way, what is an epidemic today might not be one tomorrow.

Loneliness Is a Lie Jun 07 2020 Loneliness is an unpleasant emotional response to perceived isolation. It is often associated with an unwanted lack of connection and intimacy. But loneliness is not always the same as being alone. You may choose to be alone and live happily without much contact with other people, while others may find this a lonely experience. Or you may have lots of social contacts, or be in a relationship or part of a family, and still feel lonely - especially if you don't feel understood or cared for by the people around you. This book gives practical tips to help manage feelings of loneliness, you'll experience mindfulness in 30 days to control your minds and thoughts. This is helpful for people who are feeling stress or anxiety with loneliness.

The Lonely American May 07 2020 In today's world, it is more acceptable to be depressed than to be lonely--yet loneliness appears to be the inevitable byproduct of our frenetic contemporary lifestyle. According to the 2004 General Social Survey, one out of four Americans talked to no one about something of importance to them during the last six months. Another remarkable fact emerged from the 2000 U.S. Census: more people are living alone today than at any point in the country's history--fully 25 percent of households consist of one person only. In this crucial look at one of America's few remaining taboo subjects--loneliness--Drs. Jacqueline Olds and Richard S. Schwartz set out to understand the cultural imperatives, psychological dynamics, and physical mechanisms underlying social isolation. In *The Lonely American*, cutting-edge research on the physiological and cognitive effects of social exclusion and emerging work in the neurobiology of attachment uncover startling, sobering ripple effects of loneliness in areas as varied as physical health, children's emotional problems, substance abuse, and even global warming. Surprising new studies tell a grim truth about social isolation: being disconnected diminishes happiness, health, and longevity; increases aggression; and correlates with increasing rates of violent crime. Loneliness doesn't apply simply to single people, either--today's busy parents "cocoon" themselves by devoting most of their non-work hours to children, leaving little time for friends, and other forms of social contact, and unhealthy reliance on the marriage to fulfill all social needs. As a core population of socially isolated individuals and families continues to balloon in size, it is more important than ever to understand the effects of a culture that idealizes busyness and self-reliance. It's time to bring loneliness--a very real and little-discussed social epidemic with frightening consequences--out into the open, and find a way to navigate the tension between freedom and connection in our lives.

The Heart Is a Lonely Hunter May 31 2022 A sensitive teenage girl discovers the meaning of loneliness.

The Lonely Century Jul 09 2020 *** THE INTERNATIONAL BESTSELLER *** 'Destined to be a classic' Nouriel Roubini 'Brilliant, powerful and hopeful' Philippa Perry 'Explosive, timely and urgent' Daily Telegraph Even before a global pandemic introduced us to terms like social distancing, loneliness was already becoming the defining condition of the twenty-first century. But it's also one we have the power to reverse. Combining a decade of research with first-hand reporting, Noreena Hertz takes us from a 'how to communicate in real life' class for smartphone-addicted university students to bouquy castles at Belgian far-right gatherings. From paying for cuddles in the U.S. to nursing home residents knitting bonnets for their robot caregivers in Japan. *The Lonely Century* explores how our increasing dependence on technology, radical changes to the workplace and decades of policies that have placed self-interest above the collective good are damaging our communities and making us more isolated than ever before. With bold solutions for us as individuals as well as for businesses and governments, Noreena Hertz offers a hopeful and empowering vision for how to heal our fractured world and come together again. 'If we could issue a reading list to 10 Downing Street, I'd put this book near the top.' *Guardian* 'Causing a deserved stir' *Financial Times* 'Revealing, empathetic and timely' Jonathan Freedland 'Read it, then pass it onto a friend.' *Charlie Brooker* **Clock Without Hands** Oct 12 2020 An "impeccable" novel about race relations and responsibility set in the civil-rights-era South, by the author of *The Heart Is a Lonely Hunter* (*The Atlantic Monthly*). In a small Georgia town, pharmacist J. S. Malone, diagnosed with leukemia, is given a mere year to live--and a lifetime's worth of regret over years and opportunities wasted. Meanwhile, Judge Clane, still reeling from the suicide of his son, looks for meaning in the past and judgment in the present. Clane's grandson, Jester, seeks identity in the wake of his father's selfish act. And all three of them find their stories inexorably bound together as Sherman Pew, a young black man with blue eyes, looking to uncover the truth about his parentage, moves into a white neighborhood, thus upsetting the fragile balance of the town. "One of the few first-rate novelists of our time," Carson McCullers deftly weaves a story of life and death, love and hate, progress and stagnation, a brilliant examination of the universal human experiences that at once bind us together and tear us apart (Kirkus Reviews).
